CALL FOR ABSTRACTS

**THE FIRST INTERNATIONAL BIOETHICS CONFERENCE
 8-10 MARCH, 2015
 MUSCAT, SULTANATE OF OMAN**

INVITATION AND CALL FOR ABSTRACTS

The Omani National Bioethics Committee (NBC) in collaboration with Sultan Qaboos University (SQU), the Research Council (TRC) of Oman and UNESCO is pleased to announce its First International Bioethics Conference in Oman, which will be held at the Conference Hall, Sultan Qaboos University, Muscat, from Sunday 8th to Tuesday 10th of March, 2015. The conference is designed to offer a platform for the exchange of information and knowledge in bioethics, and for networking. It will cover the following topics:-

- Premarital genetic testing
- Genetics and biotechnology e.g. stem cells research
- Global Bioethics and Sharing of Benefits
- Ebola Outbreak: Ethical Lessons Learned and a Future Research Agenda
- Religious and cultural perspectives in bioethics
 - Defining religious bioethics
 - The big questions facing religious bioethics
 - Bioethics within the theological and ethico-legal frameworks of religious moral traditions
- Islam and Bioethics:
 - Defining Islamic bioethics
 - The big questions facing Islamic bioethics

- o Bioethics within the theological and ethico-legal frameworks of Islamic moral traditions
 - o Challenges of Muslim doctors practicing in secular societies
 - o Gaps in applied Islamic bioethics discourse, with special references to deliberating over brain death and transplantation related issues
- Challenges of National Bioethics Committee in establishing rules and drawing up legislation

ABSTRACT SUBMISSION:

Abstracts should be submitted in English or Arabic (250 words to 300 words maximum) **before December 20th, 2014** together with a short CV and a pass port size photograph to: - bioethics@squ.edu.om

CONFERENCE WEBSITE:
