Dear Sir,

MEXT – The Nuclear Researchers Exchange Programme – Japan – 2016

Sri Lanka has been offered opportunities for prospective candidates to apply for the above programme, sponsoring by Nuclear Science and Technology by the Ministry of Education, Culture, Sports, Science and Technology (MEXT) of Japan.

The application guide together with research / training themes and the application form can be found at the **NSRA Website: <http://www.nsra.or.jp/int/iard/exchange.html>**

You are kindly requested to make necessary arrangements to forward the details of this programme to the institutes that could benefit from this programme, instructing them to request their nominees to forward duly filled application forms along with two copies of photo (4 cm x 3 cm) and any other information justifying their nomination to, Director General, Sri Lanka Atomic Energy Board (SLAEB), 60/460, Baseline Road, Orugodawatta, Wellampitiya through your Ministry before the deadline **31 March 2016**. An additional copy may be submitted to the SLAEB directly through the Head of the Institute for advance information.

Kindly note that nominees refusing awards upon selection in the past have caused embarrassment and nominees must take note of this when submitting nominations. If nominated officer is selected for this workshop he / she should submit a report to the SLAEB on the programme within 02 weeks after his / her return and he / she should contribute to future activities of related field utilizing knowledge acquired through this programme. It is required that applications are neatly typed.

Thanking you,
Yours faithfully,

Director General,
Sri Lanka Atomic Energy Board.
