Preparing the Vacancy Lists

The Ministry of Health has been taking necessary actions to prepare the vacancy list for Medical Officers' Post Intern Appointments. Accordingly, a decision has been made to arrange a discussion on 15th August and 16th August, 2013.

You are hereby informed to report at the Auditorium of the Planning Unit, Ministry of Health at the time allocated (**Annexure 1**) for each institution/region along with the vacancy list prepared in accordance with the priority order and suitability for each transfer scheme (Post Intern, North & East, Annual Transfer, Special Appeals and other transfers).

Please consider the following criteria in preparing the vacancy list.

1. New service requirements
2. Replacement for Medical Officers with over 7 years service to be released from Annual Transfer 2012
3. Replacement for Annual Transfer 2013 (If wherever necessary considering the Norms)
4. Replacement for other transfers

Also you are further informed to obtain views from the relevant branch of Government Medical Officers' Association in your institution/ division when the vacancy list is prepared.

The annexed specimen should be used to prepare the above list. (**Annexure 2**)

Your contribution in this meeting will be greatly appreciated. The objective of this meeting is to accommodate your requests to the maximum possible point.

Dr. Y.D.Nihal Jayathilake
Secretary of Health
