FORWARD

Regular updating of library information is a well recognized activity in library management system.

During last few years some forward able steps were taken to upgrade the status of the library of Ministry of Health. The Bibliography of New Acquisition is one of such actions to improve the user awareness of the library information.

I herewith express my appreciation to the librarian Mrs. H.P.R.W. Hettiararchchi for her contribution.

Dr. Sunil De Alwis

Consultant in Health Management

Deputy Director General (Education, Training and Research)

Ministry of Health, Nutrition & Indigenous Medicine

INTRODUCTION

The bibliography of New acquisitions of the Ministry of Health Library is published for the second time with the objective of user awareness of its valuable connection especially for the awareness of health professionals those who engaged in research and higher studies. In the Health sector.

This publication covers new books acquired by the Ministry of Health Library within the period of 2015-2016 . **Anglo American Cataloguing Rules 2nd ed.(AACR2)** used for cataloguing and the classification of books based on **Universal Decimal Classification System**. Alphabetically arranged Author, Title Subject indexes are included in this bibliography. An example of catalogue entry is included.

The library hopes to continue this publication yearly. Users are invited to bring to the notice of Ministry of Health Library, if any short coming found this publication and any suggestion to develop this publication for easy retrieval of information to users

ACKNOWLEDGEMENT

This bibliography of new acquisition is compiled as an effort of awareness of the users of the library about new additions of its valuable collection. This effort would not be success without the support of many persons. I express my sincere gratitude Dr. Sunil de Alwis, DDG (ETR) of the Ministry of Health who always encouraged me towards the new achievements of the library. I also thankful to Dr. VindyaKumarapeli, Director (Training) of the Ministry of Health. My sincere thanks is given to Mrs. ThilakaNarangoda Planning and ProgrammeOfficer of the ETR Unit for the assistance of purchasing new books for the library.

My special thanks is given to Mr. ChanakaSanjeeewaBandaraS.K.Sof the library,for his immense contribution to the preparation(typing work, preparing indexes etc.) and success of this bibliography. Finally I am very thankful to the staff of the ETR Unit of the Ministry of Health.
