Ministry of Health

COVID 19 Emergency Response and Health System Preparedness Project

Vacancy Announcement – Full Time (Contract Basis)

COVID 19 Emergency Response and Health System Preparedness Project is a World Bank supported project under the Ministry of Health which will be implemented with the objective to prevent, detect and respond to the threat posed by COVID-19 and strengthen national health systems for preparedness in Sri Lanka. The project development result level will be the Emergency Operations Centre for COVID-19 and pandemic responses established, percentage of districts with a tertiary or secondary care hospital with isolation capacity, number of designated laboratories with COVID-19 diagnostic equipment, test kits, and reagents.

The project is expected to be implemented over a period of 3 years and has four components including Component 1- Strengthening Surveillance and Response Systems, Component 2- Strengthening National and Sub-National Institutions for Prevention and Preparedness, Component 3- Strengthening Multi-sectoral, National institutions and Platforms for One Health and Component 4- Implementation Management and Monitoring and Evaluation.

Applications are being called from suitable candidates with stated qualifications and experience. These positions will be based in the Project Management Unit in Colombo. The selected officers may be requested to travel outside where the project activities are carried out as and when required. The selected officers may have to work beyond normal office hours.
