Human Resource Surveillance of Grade Dental Surgeons and Consultant Dental Surgeons

Directorate of Dental Services has launched a Human Resource Surveillance System for Grade Dental Surgeons and Consultant Dental Surgeons to improve the functions in relation to the deployment of Dental Surgeons and Consultant Dental Surgeons in Sri Lanka.

The main objective of Human Resource Surveillance is to ensure transparent and efficient implementation of Grade Dental Surgeons / Consultant Dental Surgeons transfers in order to ensure equitable deployment of Officers for a quality healthcare delivery system throughout Sri Lanka.

The launched system expects the establishment of a comprehensive database with basic information regarding Grade Dental Surgeons / Consultant Dental Surgeons.

All Dental Surgeons and Consultant Dental Surgeons attached to all Government institutions are STRICTLY INSTRUCTED to enroll in the Human Resource Surveillance. Failure to do so may result in incorrect merit order positioning and station allocations during upcoming Annual Transfer processes.
