## About the event:

The 1st Annual Healthcare, Pharmaceuticals & Biotech Trade Fair is the pioneering project for health & Bio Solutions (HBS) international Ltd to create a dynamic platform to involve and coordinate a multisectoral event, showcasing the diverse methods of improving the health sector capacity of Bangladesh. This event will be the first of its kind in bringing together various professionals, experts, tools, institutions and ideas all under one roof.

Healthcare, Pharmaceuticals & Biotech Trade Fair brings an excellent opportunity for professionals in Health care, pharmaceuticals, Biotechnology, Key Policy Makers and patients groups; to connect with global leaders and navigate the current trends in precision medicine in healthcare and biotechnology

## What to expect:

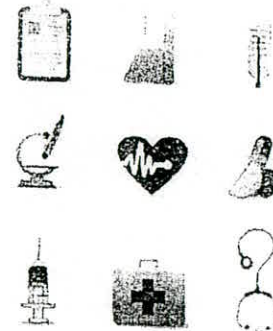

This 2-days event includes:

- Healthcare, Pharmaceuticals and Biotech companies from around the world
- State-of-the-art products for exhibitions
- Seminars by eminent specialists in their field
- A unique opportunity to network with influential members of the health sector community.
- A platform to participate in discussions that will address critical issues facing healthcare services

## Why exhibit with us:

Our sponsorship and exhibition packages have been developed to help you meet your business objectives; such as in branding, lead generation, thought leadership or direct sales.

  
Join us for this new  
and exciting journey

## Who we are

HBS international Ltd is the first organization that is deeply passionate about providing a comprehensive array of products, services and other high value technical skills not present in any other health sector company in Bangladesh. We look forward to consolidating our market presence in the country region and eventually on a global scale.

Our most important asset is the spirit of partnership and teamwork. That is why we are deeply interested in involving you not just as a client but as an evolving business partner in all our future projects.
