# MASTER IN PUBLIC ADMINISTRATION

Our one-year full-time Master in Public Administration (MPA) prepares students for senior management roles in the public sector. It provides an intensive, interdisciplinary course of study for professionals who wish to work on increasingly complex issues shaping national, regional and global policies and projects.

- 85%  Asia
- 5%  Americas
- 1%  Europe
- 9%  Rest of the world

*\* Proportions are based on a 5-year average.*

#### Admission Criteria

Prospective students of the MPA programme are typically mid-level professionals with a minimum of five years' work experience and have at least a Bachelor's degree and aspire to management roles. They must demonstrate maturity and a commitment towards public service. Proficiency in written and spoken English is critical.

#### Class Profile

Each MPA class usually comprises between 40–60 students from 20 countries. Students are typically mid-level managers from the public and not-for-profit sectors as well as multilateral organisations.

I have come to see an important aspect that would prepare me adequately for the future: Diversity. The School houses students and faculty from different countries with different rich experiences to share.
