Subject: International Professional Vacancies at the World Health Organization

Dear Sir/Madam,

We would like to share with you the list of vacancies published since 3 October 2016 at the World Health Organization. The aim is to increase the diversity of our internationally recruited staff in addition to giving your nationals information about vacant positions at WHO.

We would very much appreciate if you could disseminate this list widely within your national networks. WHO is committed to improving its gender balance, particularly in positions at the senior levels of the Organization, and we would therefore appreciate any support from you in targeting qualified female candidates.

List of Vacancies is annexed.

Note: Longer term positions are indicated with an "FT" reference in the vacancy number
Temporary positions are indicated with a "TA" reference in the vacancy number

Should you have any queries or comments on our vacancy mailing list, please contact our focal point Ms Cornelia Griss (e-mail: grissc@who.int).

With our thanks,

The Human Resources Management Department
World Health Organization
