Pre Intern Medical Officers

Dear Doctor,

Compulsary Accident & Emergency Training for Pre-Intern Medical Officers

The Medical Service II Division of Ministry of Health, Nutrition & Indigenous Medicine Collaboration With Professional Colleges of Sri Lanka are Planning to Conduct "Pre Intern Training in Accident and Emergency Care Scenarios" for the consecutive 2<sup>nd</sup> year for the 2016 Pre Interns In November Batch.

The Provision of Initial Health Care Services for the Victims of an Accident & Emergency Situation is essential to save the life and improve Quality of Life for the rest of the one's life therefore these respective services should be provided by a competent Health staff especially in the golden Hour. This is important and it is being adopted in the Accident & Emergency Care Service Policy.

The Respective Programmes are Compulsory for all pre-Intern Medical Officers and in future it will be an Compulsary component for Post intern appointments and Post graduate training. Currently the policy in this regard is being formulated.

A Certificate will be awarded for the all Participants who have completed the training programs.

Please note that all training will be held on selected venues with grouping by online application made by individual candidates. Online Registration is available at. [www.cpd-ms2.health.gov.lk](http://www.cpd-ms2.health.gov.lk). No candidates will be accommodated without online registration.

Thank you,

**Dr. Amal Harsha de Silva**  
Deputy Director General (Medical Services) II
