Conducting regular laboratory meetings in Government Health Institutions

Provision of health care services in the hospitals, laboratories of the hospitals play a vital role by providing timely and accurate test results which assist clinicians in diagnosis and treatment. State sector Laboratory Services of Sri Lanka under the Ministry of Health functions with a mission to provide timely, reliable, high-quality diagnostic services to relevant health care providers. High-quality laboratory services are being provided to the public with the collective effort and coordination among the staff categories of the laboratories.

To further improve and facilitate the coordination among laboratory staff categories, I hereby instruct to hold **quarterly** institutional laboratory meetings with Hospital Director, Consultant in each specialty, Superintendent MLT, Senior MLTs from each section and other necessary staff members.

The meeting minutes should be sent to the Deputy Director General (Laboratory Services) through email ddglsdashboard@gmail.com or fax to 0112670097.
