Midwifery Training for Nursing Officers – 2023 (03.06.2024 -02.06.2025)

I am pleased to inform you that the Nursing Officers mentioned in the Annexure attached herewith, have been selected for Midwifery Training. You are hereby informed to release all the Nursing Officers, selected for this training, as to avail for reporting to the Principal of the College of Nursing, as per the annexure at 8.00 a.m. on 03.06.2024.

This training programme comprised 6 months theory component at the Schools of Nursing and another 06 months institutional training at maternal unit/hospital under direct supervision of Consultant Obstetrician and Gynecologist and Special Grade Nursing Officers in their respective hospitals. The Nursing Officers, who are from the hospitals, there is no Consultants Obstetrician, Gynecologist, and Special Grade Nursing Officers, should complete their institutional training at the hospital with the above facility. Which are close to their working place.

These officers will be released back to their original service stations or same hospital after completion of the six months institutional training and an assignment reports should be submitted on monthly basis, to the Principals of Schools of Nursing. Duty leave shall be granted for these nursing officers in order to attend the training programme at the Schools of Nursing. Certificate shall be issued to the nursing officers, who will be successful in the examination conducted at the end of six months training and completion of another 6 months institutional training under VOGs and Special Grade Nursing Officers.

These trained nursing officers should be attached compulsorily to the Maternity Care Unit/Hospitals for three years period. Before commencing of training programme the each trainee has to sign an agreement with the Director General of Health Services in this regard. The relevant agreements will be sent to them in due time through Principals of Schools of Nursing.

If trainee discontinue the any time of the trainee period they have to pay the full amount of the agreement.

If any nursing officer is unable to attend to this training on a reasonable ground, it should be informed to us through their Head of the Institution, before the commencement of training programme and next suitable officer from the relevant institution will be selected for this training according to their service seniority comparing with applications proceeded due time.

The travelling and other allowances for these officers should be paid by the relevant Provincial Health Departments or by the institutions as per the Establishment Code and Financial Regulations.

The selected nursing officers should arrange their accommodations and logistics convenience to them at their own.

The selected officers for this training should arrange their residential facilities by themselves during this training.

Dr. Asela Gunawardana
Director General of Health Services
