Payment of salaries of medical officers

Several investigations and audit quarries noticed that the medical officers have taken their salaries without maintaining proper attendance to the working place. Further, some other medical officers or PGIM trainees have just reported to duty after the end of secondment release or no pay leave and PGIM training and they do not engage in their normal duties or patient care services.

02. Therefore, you are kindly instructed to have a proper mechanism for;

- i. Duty reporting
- ii. Informing to relevant authorities: eg – Ministry of Health, PDHS, RDHS
- iii. Allocation of such MOs to relevant institutions or units in the same day without delay.
- iv. Regular attendance of duties
