Diploma in Intensive Care Training for Nursing Officers – 2021 – (2nd Group)
(12.02.2024 – 12.02.2025)

The Nursing Officers mentioned in the Annexure attached herewith, have been selected for Intensive Care Unit (ICU) Nursing Training Programme & you are hereby informed to release all the Nursing Officers, selected for this training, as to avail for reporting to the Principal of the Post Basic College of Nursing, Colombo at 8.00 a.m. on 12.02.2024.

The duration of the training programme is one year, including 06 months training at the Post Basic College of Nursing and 06 months institutional training at ICUs in respective hospitals of the particular nursing officer.

These officers will be released back to their original service stations after completion of the six months training. Duty leave should be granted for these nursing officers in order to attend the training programme for one year. Certificate shall be issued to the nursing officers, who will be successful in the examination conducted at the end of six months training.

These trained nursing officers should be attached compulsorily to the ICUs for two years period. Before commencing of training programme the each trainee has to sign an agreement with the Ministry of Health in this regard & the relevant agreements will be sent to them in due time.

If trainee discontinue the programme any time of the training period has to pay the full amount according to the agreement

The travelling and other allowances for these officers should be paid by the relevant Provincial Health Departments or by the institutions as per the Establishment Code and Financial Regulations. The selected nursing officers should arrange their accommodations and logistics convenience to them by their own.
