Invitation to participate in the World Congress on Nonomedicine (WCN 2026)

1. Please find enclosed herewith for your attention Fax Msg. 1837 dated 22 July 2026 from the High Commission of Sri Lanka in New Delhi (**Annex I**) addressed to the Ministry of Education, Higher Education and Vocational Education and the Ministry of Science and Technology with copy to this Ministry on the 'World Congress on Nanomedicine' which will be held from 27-30 September 2026.
2. The event will be convened under the umbrella of International Society of Nanomedical Sciences (ISNS) & International Society for Nanomedicine (ISNM), as well as under the chairmanship of Prof. Roger D. Kornberg, Nobel Laureate, at the Institute of Nano Medical Sciences (INMS) of the University of Delhi.
3. It is expected to bring together more than 2000 participants, including scientists and researchers in the field of nanomedicine.
4. As requested by the High Commission, it would be appreciated if this information be shared with interested stakeholders including universities, research institutions and scientific organizations in order to encourage participation from Sri Lanka.

Invitation to Participate in the World Congress on Nanomedicine (WCN 2026)

1. Please find enclosed herewith for your kind perusal, a self-explanatory email communication of 10 July 2026 received from University of Delhi, India on the above subject.
- 2. The University of Delhi has informed the High Commission regarding the organizing of "World Congress on Nanomedicine" scheduled to be held from **27-30 September 2026**. The event will be organized under the umbrella of International Society of Nanomedical Sciences (ISNS) & International Society for Nanomedicine (ISNM), and will be held under the chairmanship of Prof. Roger D. Kornberg, Nobel Laureate, at the Institute of Nano Medical Sciences (INMS), University of Delhi. The congress will be co-hosted by several national and international universities and research institutions, with the support of government funding agencies such as DST, DBT, ANRF, ICMR, CSIR, and the pharmaceutical industry.
3. The congress is expected to bring together more than **2,000 participants**, including eminent scientists and young researchers, to share knowledge, innovations, and advancements in the field of nanomedicine.
4. In this context, the University has requested the High Commission to disseminate the information among Sri Lankan universities, research institutions, and scientific organizations for their consideration and possible participation.
5. It would be appreciated if the above information could be disseminated among the relevant stakeholders to encourage participation from Sri Lanka. **(ENDS)**

High Commissioner

Sri Lanka

High Commissioner for the Democratic Socialist Republic of Sri Lanka

27 Kautilya Marg, Chanakyapuri, New Delhi-110021

Subject: Invitation for Active Participation of Scientists from **Sri Lanka** in the 'World Congress on Nanomedicine 2026' to be held under the chairmanship of Prof. Roger D. Kornberg, *Nobel Laureate* during 27th – 30th September 2026 in New Delhi, India.

Excellency,

SS
10/07/26

We are happy to inform you that the Institute of Nano Medical Sciences (INMS), University of Delhi is organizing "World Congress on Nanomedicine" during 27th – 30th September 2026 under the chairmanship of Prof. Roger D Kornberg, Nobel Laureate. The World Congress will be organized under the umbrella of International Society of Nanomedical Sciences (ISNS) & International Society for Nanomedicine (ISNM); and will be hosted by the Institute of Nano Medical Sciences (INMS), University of Delhi. This congress will be co-hosted with various academic National and International Universities and Institutions with the support of government funding agencies like DST, DBT, ANRF, ICMR, CSIR, and Pharmaceutical Industries.

The World Congress on Nanomedicine will unite over 2000 participants including eminent scientists and young researchers to share knowledge, innovations, and advancements in nanomedicine. We have invited esteemed speakers including Nobel Laureates and distinguished scientists from all over the world. Prof. TMS Chang, FRS (Canada), McGill University has agreed to be the Honorary President of the congress. Furthermore, Prof. Paul Nurse; *Nobel Laureate*; Prof. Richard Roberts, *Nobel Laureate*; Prof. Jennifer Doudna, *Nobel Laureate*; Prof. Frances Hamilton Arnold, *Nobel Laureate*; Prof. Demis Hassabis, *Nobel Laureate*; Prof. Govardhan Mehta FRS, University of Hyderabad; Prof. R. A. Mashelkar FRS, President of Global Research Alliance, and others have agreed to be on the International advisory committee of the World Congress. The thematic areas for the conference are: Targeted drug delivery, Nanoparticles for diagnostics, Nanomedicine in cancer treatment, Regenerative nanomedicine, Precision Nanomedicine, Nanobiophotonics, Artificial Intelligence in Nanomedicine, Nano biosensors and medical devices, Law and Nanomedicine, Radiation Nanomedicine and development of Nasal Spray for rapid stroke aid etc.

We have requested Smt. Droupadi Murmu, Hon'ble President of India for the inauguration of this World Congress under the leadership of Prof. Yogesh Singh, Vice Chancellor, University of Delhi. We have also requested the Science & Technology for the Society forum (STS Forum) Japan and World Health Organization (WHO) to actively participate in this World Congress on Nanomedicine.

WORLD CONGRESS ON NANOMEDICINE 2026

27th - 30th September, 2026
Vigyan Bhawan, New Delhi, India

July 7, 2026

Patrons

Dr. Yogesh Singh
Hon'ble Vice Chancellor
University of Delhi

Dr. Digambar Behera
President
National Academy of Medical Sciences

Prof. Govardhan Mehta, FRS
University of Hyderabad

Chairman
Prof. Roger D. Kornberg
Nobel Laureate)
Stanford University, USA

Honorary President
Prof. Thomas M. S. Chang, FRSC
Honorary President, ISNS
McGill University, Canada

President
Prof. Ramesh Chandra, FAMS, FRSC
Founder Director
Institute of Nano Medical Sciences

Co-Chairs
Prof. Gobardhan Das, FNASc
Member, NITI Aayog, India

Prof. Seyed E. Hasnain, FNA
National Science Chair
Harvard University

Prof. Nikolay Nifantiev
Lebedevsky Institute of Organic Chemistry
Moscow, Russia

Prof. Bhanu P. Jena
Wayne State University School of
Medicine, USA

General Secretaries
Prof. Indrajit Roy
Director
Institute of Nano Medical Sciences

Dr. Adithya Singh
Deputy Director
Institute of Nano Medical Sciences

Co-conveners
Prof. Akhilesh K. Verma, FNA
University of Delhi

Prof. Vibha Tandon, FASC
ICB, Kolkata

Dr. Rohtash Kumar
CEO, Syngene International

Co-Conveners
Prof. Nidhi Chauhan
JPES Dehradun

Prof. Jitender Madan
JIPER Hyderabad

Dr. Suveen Kumar
JIPER Ahmedabad

Organizing Secretaries
Dr. Shubham Sewariya
Institute of Nano Medical Sciences

Dr. Aarushi Singh
Amjyas College, University of Delhi

Dr. Ratneshwar K. Ratnesh
Jatani Subhas University of Technology

Ms. Pradeepa Mahishini Colonne
High Commissioner
Sri Lanka

High Commissioner for the Democratic Socialist Republic of Sri Lanka

Subject: Invitation for Active Participation of Scientists from Sri Lanka in the 'World Congress on Nanomedicine 2026' to be held under the chairmanship of Prof. Roger D. Kornberg Nobel Laureate during 27th – 30th September 2026 in New Delhi, India.

Excellency,

We are happy to inform you that the Institute of Nano Medical Sciences (INMS), University of Delhi is organizing "World Congress on Nanomedicine" during 27th – 30th September 2026 under the chairmanship of Prof. Roger D Kornberg, Nobel Laureate. The World Congress will be organized under the umbrella of International Society of Nanomedical Sciences (ISNS) & International Society for Nanomedicine (ISNM); and will be hosted by the Institute of Nano Medical Sciences (INMS), University of Delhi. This congress will be co-hosted with various academic National and International Universities and Institutions with the support of government funding agencies like DST, DBT, ANRF, ICMR, CSIR and Pharmaceutical Industries.

The World Congress on Nanomedicine will unite over 2000 participants including eminent scientists and young researchers to share knowledge, innovations, and advancements in nanomedicine. We have invited esteemed speakers including Nobel Laureates and distinguished scientists from all over the world. Prof. TMS Chang, FRS (Canada), McGill University has agreed to be the Honorary President of the congress. Furthermore, Prof. Paul Nurse, Nobel Laureate; Prof. Richard Roberts, Nobel Laureate; Prof. Jennifer Doudna, Nobel Laureate; Prof. Frances Hamilton Arnold, Nobel Laureate; Prof. Demetris Hassabis, Nobel Laureate; Prof. Govardhan Mehta FRS, University of Hyderabad; Prof. R. A. Mashelkar FRS, President of Global Research Alliance, and others have agreed to be on the International advisory committee of the World Congress. The thematic areas for the conference are: Targeted drug delivery, Nanoparticles for diagnostics, Nanomedicine in cancer treatment, Regenerative nanomedicine, Precision Nanomedicine, Nanobiophotonics, Artificial Intelligence in Nanomedicine, Nano biosensor and medical devices, Law and Nanomedicine, Radiation Nanomedicine and development of Nanospray for rapid stroke aid etc.

We have requested Smt. Droupadi Murmu, Hon'ble President of India for the inauguration of this World Congress under the leadership of Prof. Yogesh Singh, Vice Chancellor, University of Delhi. We have also requested the Science & Technology for the Society forum (STS Forum) Japan and World Health Organization (WHO) to actively participate in this World Congress on Nanomedicine.

On behalf of the Institute of Nano Medical Sciences (INMS) and the Organizing Committee, we request you kindly disseminate this information among universities, research institutions, and scientific organizations in your esteemed country, and encourage scientists, faculty members, researchers, clinicians, and students to actively participate in the World Congress on Nanomedicine 2026 by submitting abstracts and registering for the Congress. We are confident that WCN-2026 will serve as an outstanding global platform for scientific exchange, innovation, and international collaboration. We look forward to the active participation of scientists from your esteemed country and would be honored by your support in making this prestigious event a grand success.

With warm personal regards,

Ramesh Chandra
