Declaration by authorized officer of content originating unit
The content submitted under the above "content description/ topic" and attached as hard copies to this form or in the event where only soft copies are submitted, such soft copies, or additional relevant content in soft copies (like documents, photos, videos or sound tracks) submitted, are to be considered as "content intended for publication", in the official website of Ministry of Health, as instructed in this form. I the undersigned, understand and bear total responsibility for the accuracy, relevance and integrity of this content (all hard copies, and all soft copies provided) as the authorized officer of the "content origination unit" as specified above and also assure that such content is suitable for publication in the official website of Ministry of Health. I also understand and bear the responsibility for making this content (all hard copies, and soft copies provided) be available for public viewing and downloading, when published in the website. I also confirm that there are no discrepancies between the content provided in hard copies and content provided in soft copies.
