There are 09 Provincial Directors of Health Service Offices and 26 Regional Directors of Health Services offices under the Provincial Councils in Sri Lanka. About 175 categories of staff are working in 1771 institutions and sub-units functioning under the Provincial Councils at the end of 30th June 2026.

This report includes a summary of cadre positions of Provincial Director of Health Service Offices, Regional Director of Health Services offices, District General Hospitals, Base Hospitals, Divisional Hospitals, Primary Medical Care Units, Special Hospitals, MOH Offices, and Campaigns and other Sub Units under the Provincial Councils.

This publication was made with the support extended by all the health institutions mentioned above and the Planning Unit Staff. It is expected that this would facilitate human resource planning and deployment in the healthcare institutions in the country. We welcome feedback, suggestions, and contributions for future editions, as we remain committed to supporting the growth and success of our cadre workforce. Together, we can continue to strengthen our organization and make a positive impact on the communities we serve.
