

LIST OF HOSPITALS

2026

Directorate of Planning,
Management Planning and Development Unit
Ministry of Health and Mass Media

Message from the Deputy Director General (Planning)

The availability of accurate and up-to-date institutional information is essential for effective health sector planning and evidence-based decision-making. In line with the Ministry of Health and Mass Media's commitment to strengthening data-driven planning, the List of Hospitals – Updated 2026 has been compiled, incorporating the latest functional status of hospitals as provided by the relevant planning units of the Regional Directors of Health Services (RDHS) offices.

This updated listing will support national and sub-national planning, resource allocation, and service delivery management. I emphasize the importance of regular updates and timely data reporting to ensure the continued accuracy, reliability, and usefulness of institutional information.

I sincerely appreciate the dedicated efforts of the Directorate of Planning and the valuable cooperation extended by all Regional Directors of Health Services and their respective planning units in successfully completing this important exercise.

Dr. S. Sridharan
Deputy Director General (Planning)
Ministry of Health and Mass Media

Message from the Director (Planning)

The List of Hospitals – Updated 2026 has been compiled by the Directorate of Planning to provide an accurate and current reference of government health institutions under the Ministry of Health and Mass Media. The functional status of hospitals has been updated based on information submitted and verified by the planning units of the Regional Directors of Health Services (RDHS) offices, with relevant remarks incorporated to reflect the current operational context.

This publication aims to support information needs for routine planning, monitoring, coordination, and administrative decision-making at national, provincial, and district levels. I extend my sincere appreciation to all Regional Directors of Health Services and their respective planning units for their valuable contributions and continued cooperation in successfully completing this important exercise. I also wish to acknowledge and thank the dedicated staff of the Directorate of Planning, Ministry of Health, for their tireless support in compiling, verifying, and preparing this publication.

Dr. Janaki Vidanapathirana
Director (Planning)
Ministry of Health and Mass Media
